

OPAL BLACK STEEL

900ml Liquid Refillable Soap Dispenser

Part code: 900SD-LBK

The opal steel 900ml refillable liquid soap dispenser is designed for all commercial washrooms. It's both practical and robust whilst offering an executive finish with its black steel lockable cover.

Constructed from zinc coated steel the unit is designed for both simplicity and functionality, making this ideal for all high traffic areas that require regular sanitising.

Key lockable for extra security with a level indicator located at the front for ease of monitoring soap levels. The 900ml reservoir can be easily refilled when more soap is required.
