

# COAT HOOK (URBAN METAL SERIES)

PXB-UM

Plain

Black

## Features

- A deceptively simple design emphasizing modern urban sensibilities. The edges have been gently rounded and the surface has been carefully and delicately processed.
- Metal core provides durability and high load capacity.
- The matte black finish is coated with a special chromate. This type combines the desirable glossiness of paint with the unique strength of plating.
- A wide array of matching products are available, allowing for total design coordination.

## Parts Included

- Pan head tapping screw 4x32
- Hexagon socket countersunk head screw M4x8
