MATERIAL

- › Toiler Roll Holder: Satin finish stainless steel grade 1.4301 (304) with black Delrin bush
- › Arm: Ø14mm satin finish stainless steel grade 1.4301 (304)

CAPACITY

- › 2 x toilet roll of maximum width 110mm

INSTALLATION

- › See diagram opposite
- › Recommended mounting height from centre of boss to FFL 900mm
- › Unscrew grub screw with Allen key and pull toilet roll holder apart at edge of cap (A)
- › Mark position of toilet roll holder fixing holes on mounting surface and secure boss (B) in desired handing using suitable countersunk screws (Please check the screws supplied are suitable for the installation)
- › Refit the cap of the toilet roll holder and screw in the grub screw

CARE AND MAINTENANCE

- › Clean with soap and warm water, dry with a clean soft cloth.

To maintain finish use any industrial steel cleaner, polishing along the material grain with a clean soft cloth.

Dolphin Solutions Ltd recommends "Steel Clean" cleaning agent, obtainable from: Vitopan (Tel: 01204 863000)

Abrasive cleaners, chloride cleaning agents and carbon steel brushes/steel wool will scratch the stainless steel and should not be used.

WARRANTY

This product is covered by a 12-month warranty from the date of purchase to be free from defects if installed and maintained in accordance with these instructions. Dolphin Solutions will replace or repair (as appropriate) free of charge any product with a proven manufacturing defect if reported within the warranty period.

Dolphin Solutions Ltd reserves the right to amend the design or dimensions without formal notice.
